

Table with approximately 50 columns and 1000 rows. Columns include various categories such as 'ID', 'Name', 'Date', 'Status', and 'Location'. The table contains a large amount of detailed data, with many cells containing text, numbers, and dates. A vertical green bar highlights a specific column in the center of the table. The table is organized into sections with headers and footers, and the overall layout is a dense grid of data.
